## Dear Parents,

I selected these activities for your child based on their skill development needs. Here are activities in some of the content areas we teach at school. Each activity is only 10-15 minutes, uses household items, and is fun and engaging for you and your child. I appreciate your help as we work together to ensure your child's progress during this critical time.

Week of: March 23-27

|       | Learning Areas  | Activity Link(s)   | Notes to Parents  |
|-------|---|--|---|
