

TPRI 1st Grade READ EOY Story 6 *The School Fair*

Every year, Tom's school has a fair. Each class makes food and crafts for the fair. The food and crafts are for sale on tables. The food tables sell many good things to eat, but Tom's favorite treat is cheese popcorn. Mr. Smith, the P.E. teacher, makes the popcorn. Tom likes to watch Mr. Smith pop the corn and melt cheese all over it. It is salty and sticky. Tom loves it. The craft tables sell things the students have made. All year, the students draw, paint or make things out of paper. Then, they sell them to earn money for field trips. Tom always buys gifts for his family at the craft tables. Tom hopes his class can earn money to go to the water park!
